

**Register of Declarations of Interests GP's and Surgery Staff Stoke -on-Trent CCG
January 2017**

Financial Interest – where an individual may get direct financial benefits from the consequences of a commissioning decision. This includes personal benefit and those arising from being a member, shareholder of an organization

Non-financial Professional Interest – where an individual may obtain professional benefit from a commissioning decision such as increasing their reputation or promoting their professional career

Non-financial Personal Interests – where an individual may benefit personally in ways which are not directly linked to their professional career and which do not give rise to any financial benefit

Indirect Interest – where an individual has a close association with someone who may have any of the interests listed above in a commissioning decision. This could include; spouses, partners, close relative (parent, grandparent, child), close friend or business partner.
